

360 Christian Leadership Day

A one day
church volunteer
training event

March 14, 2026 - 9AM to 3PM

North Main Street Church of God

Welcome

We call it 360 because the Leadership Day is six hours long or three hundred and sixty minutes of inspiration, training, and meaningful fellowship. It is a one-day conference designed to equip and inspire everyone who serves in the local church from a new volunteer to a full-time pastor.

The 2026 theme is **“ONE MORE In Jesus Name”** with the primary scripture coming from the words of Jesus in the Great Commission (Matthew 28:19-20). We pray for **ONE MORE** disciple committing to living like Jesus, **ONE MORE** leader serving and making disciples, and **ONE MORE** church renewed in the mission of showing its community who Jesus is. At 360, the Leadership Development Team provides opportunities for you to grow as a disciple of Jesus and as a leader serving Jesus. This year, let's pray for **ONE MORE** in Jesus Name.

For today, 360 brings us together to be challenged in our understanding and our ministries. Following the opening session of worship and instruction, we will be going into different breakouts covering Preaching, Mentoring, Spiritual Disciplines, Finances, Church of God Theology, and Round tables to connect with other leaders in the state. With 20 different breakouts offered over 4 sessions there is something for everyone. Simply choose a track or mix and match breakouts from different tracks that align with your needs and inform your passion. Further details on the schedule and the tracks can be found in the rest of this booklet.

Breakouts

Mentoring Track

- **How to Recognize New Leaders** - Where are the church leaders? Most churches see the same people doing ministry. The need to raise up church leaders is upon us. How do we inspire others to become leaders? Wouldn't it be great to have a leadership recipe? Ingredients necessary in this recipe include commitment, connection, patience, listening skills, empathy, passion, courage, humility, and humor to name a few. *Presenter Brenda Palmer Lay Leader First Church of God Robertsdale*

Spiritual Disciplines

- **Disciplines of Less** This is so contrary to what our modern culture teaches. How can less be better? Aren't I supposed to do more for Christ? We will look at the life of Christ, and explore ways to grow deeper with Him & strengthen our spiritual life through less. *Presenter Angela Mitchell Family Pastor New Beginnings Church of God Meadville*

Breakouts

Spiritual Disciplines

- **Corporate Disciplines** Explore the biblical foundations of spiritual disciplines and how to incorporate them into the life of the church. We will discover ways to integrate corporate prayer, Scripture reading, silence, and worship into regular rhythms.**Presenter** SaraLee Lenhart *Worship Pastor*
North Main Street Church of God Butler

Finances Track

This track will look at how finances affect our ministry.
Presenter David Boots *Servant Solutions - Anderson, IN.*

- **Church Finances & Staff Compensation** Let's take a "mini-dive" into what a healthy staff compensation structure should look like. This is not so much about *the amount* as it is *how we set up compensation and benefits* to the best advantage.
- **Personal Finances & Budgeting** Specifically for pastors and non-pastors, and for anyone who has ever used a checkbook, cash, or credit. Come and find some tips on managing the dollars available to you each month, tackling debt, planning for a comfortable financial future, how to lose money quickly, and how to make money without working!

C hurch of God Theology

This track will focus on unique aspects of Church of God Theology, why we believe them and how to defend that belief. **Presenters** *Nick Wilson Sr Pastor Kittanning, and Zachary Lays Sr Pastor New Bethlehem*

- **What do you mean when you Say God?** Sometimes, when we talk with others, the biggest disconnect lies in what we mean when we use a word. This presentation will offer a brief discussion of God and how different understandings of the word “God” can lead to very different conclusions. Join us as we explore a few of the ways that historical, biblical orthodoxy has understood and used the word “God”.
- **What does it mean to be Human?** As the Church seeks to address issues of deep theological significance, we must look to and understand the foundational realities of existence. This presentation will offer a brief survey of Christian Anthropology. Join us as we delve into what it means to be human and explore how the Bible’s answer to that question can frame many of the difficult issues of our day.
